Cube™

Mixed Bill Counter and Reader

- A fast and easy way to count and total money. Not just a simple bill counter, the Cube™ automatically recognizes denominations to count total value too!
- Advanced infrared sensors recognize all US dollar denominations regardless of directional orientation.
- Operational modes include Free Count, Mixed (for mixed denominations), Sort and Batch.
- Brilliant blue screen clearly displays bill count and total monetary value. On-screen reporting provides a tally of each denomination.
- "Cubed" design folds up for easy transportation and storage. Runs on either AC power of the included lithium ion battery for operation anywhere bill counting may be needed.
